

Dear Sir

At ~~the~~ a ^{recent} meeting
of the Boston Female Anti
Slavery Society - it was resolved
that an effort should be
made to circulate petitions
for the abolition of Slavery
in the District of Columbia
among ^{the} ~~the~~ ^{women} of ~~the~~ ^{every} town in the com-
monwealth - a committee
of 14 was elected corresponding
to the number of counties
and each member of that
committee became responsible
for the circulation of the pe-
tition in the county assigned
her - Franklin County Devoted
upon me - ~~and as I do not~~
~~know an individual in~~
~~the county - It occurred to~~
~~me that -~~ At first I hardly
knew what steps to take
~~and~~ I know none of our agents
who have been in Franklin Co

2 I do not know that any
53 times have been delivered there
— In this perplexity I resolved
to write to you & request
you to favour me with any
information you may possess
respecting the persons with
whom it would be proper
or politic to correspond
if you could point out some
lady - in each ^{or any} town who would
take an interest - in the matter
or some gentleman with
whom the selection would
safely be left - ~~I should be~~
~~exceedingly~~ My ~~labours~~ ^{exertions} would
be exceedingly facilitated

I am the more embolden-
ed to make this request
as I know that the cause to
which we are devoted is
one near your ^{own} heart -
~~and I feel that though I am~~

~~addressing me~~
~~to whom I am personally~~
~~known~~
and the fact in company with
in the reflection that the
prayer - so many of the
good & times even in these
hard days - will need us
and ~~that~~ by councils
& prayers

Dear Mother

the small thing best
information will be
received most gratefully

I inform a list of the
towns in Franklin county
with the most success
& respect
the cause of the oppressed
